NEW STUDENT REGISTRATION

Completed applications need to be returned promptly and will be considered equally within their appropriate category. Birth/Baptismal and Medical records will be required for new students. Waiting lists will be formed if more applications are received than space available. Pre-Kindergarten students must be 4 years of age, however we also accept 3 ½ year old potty trained students willing to attend two years. Kindergarten students must be 5 years of age and Grade 1 students must be 6 years of age. [Cut off date for all three grades is September 1st of the current year.] Birth/Baptismal and Medical records will be required, as well.

Students interested in transferring to St. Patricia will need to present a copy of a current valid report card, recent national testing results, and current medical forms (Pre-K, K, 1, and 6 grade students). Transfer students are also tested to determine proper placement.

Upon acceptance to the program, families need to pay the \$200 non-refundable registration/commitment fee. This fee is credited to next year's tuition.
