JULY 30, 2020

GREETINGS ST. PATRICIA FAMILIES!

I hope this update finds you and your family well. The Reopening team has completed the draft of the school's reopening plan. We have submitted the draft to the Healthy & Safety and Academic teams for approval. Once it is approved, I will share the plan with you via email and post it on our website. I imagine we will have it ready within a few days. Thank you for your patience and to the dedicated people who are working with me on the Healthy & Safety and Academic teams.

Many improvements have been going on at school this summer. We have had the Parish Center/ Gym freshly painted with our Bobcat colors, and it looks amazing! We have ordered the air conditioners for our classrooms and they are on their way. Many thanks to those who have donated to the air conditioning fund. You can still donate if you wish. We made it easy to donate if you follow this link to GiveCentral. <https://www.givecentral.org/location/24/event/20171> The wireless Internet system in the school has been updated and completed for reliable and easy access in any classroom.

St. Patricia is still taking orders for a 5 pack of reusable face masks in both adult and youth (PreK-4th grade) sizes to our Parishioners and School Families. Mask packs are \$20.00 for 5 masks of the selected size. Masks are black with our St. Patricia logo in light blue. Pick up will be available on Thursday 8/13, 10 AM – 2 PM at the main school entrance, if you can not pick up during those times, you can contact Jen Ahern at jahern@stpatriciaparish.com to coordinate a pickup time at the Rectory or School Office. **Sale ends Tuesday 8/4 and is only available online.** Follow this link to order <https://stpatriciafacemasks.itemorder.com/sale>

I hope you are finding some time to enjoy the summer. Be safe and healthy. Enjoy the weekend!

Blessings,

Mrs. Nowinski
