Second Grade 2021 Summer Reading

June 2021

Dear Parents/Guardians,

Summer is a time to relax and have fun! However, if your child doesn't keep up with the skills that they have learned, they will quickly diminish before they return back to school. It is vitally important to continue reading. While I only require students read 4 books, this is not indicative of what students need to read.

We have decided as a school to ask each student at every grade level to incorporate reading into his/her summer schedule. This year due to e-Learning, we are making all Summer Reading assignments optional, but highly encouraged!

- Each incoming second grader will read any 2 storybooks, 1 non-fiction animal books, and 1 Cam Jansen mystery book by David Adler for a total of 4 books.
- Your signature is required on the attached Reading Log Sheet, along with each book title, and the date finished.
- The attached Book Reports are to be completed and turned in to the teacher when returning to school in August.

Your child is greatly encouraged to read more than the assigned material. No Book Reports will be required for 2021, but please feel free to duplicate the Reading Log Sheet to record any extra books read.

Thank you,
Mrs. Rodriguez
