

Dear St. Patricia Parents,

We would like to welcome you back to the new school year and a big welcome to all our new parents and students. We would like to inform you that our FSP hot lunch program is offered Tuesday thru Friday ( FREE for the 2021-22 school year ) to all students that choose to order it.

The lunches include a hot entrée, fruit, vegetable and a milk. The menus can be found at [fspro.com](https://fspro.com), click “Our Menus” then choose “Single choice menu”. The meal listed will be the only available option for that day. Once opted in your child will receive a lunch every day (Tues. thru Fri.) until you choose to opt out of the program. If you choose to opt out please send me an email to the address provided below.

To opt into this program please e-mail me at [jkelly@stpatriciaparish.com](mailto:jkelly@stpatriciaparish.com). I will need the name of the student and their grade, so please be sure to send me the student(s) information by no later than Aug, 18th. The lunches will begin the first day of school.

I am really looking forward to seeing all of you and excited for another great and safe school year at St Patricia.

God Bless,  
Jennifer Kelly
