Dear Parents,

As part of our Language Arts Curriculum, the students are asked to actively engage in the reading of a variety of literature. This summer the incoming 6<sup>th</sup> grade is asked to read *Holes* by Louis Sachar.

While reading *Holes* by Louis Sachar each student will have to complete a list of questions. The questions and answers need to be typed following this format.

1. **Question and Page #**

Typed answer

(Skip a space)

2. **Next question**

Also, each question should have the page number listed. This number corresponds to the page number from the book, which held the answer to the question. Skip a space between questions.

Do not forget to write the page numbers down. It is harder to go back after you finish reading the book. You would have to read the whole story again.

If you have any questions, please let me know.

Sincerely,

Mrs. Amy Barnard
